

We are pleased to welcome you at Kai Papai!

Please help us to make your stay as pleasant as possible for everyone.

Guests can smoke outside, listen to music at a reasonable volume and bring outsiders with prior authorization.

No drugs or heavy drinking allowed.

When going for a swim, please use the beach towels provided to you and rinse before coming back up (a hose and warm shower are at your disposal in the garden). Feel free to use the washing machine in the bathroom and the clothes lines on the ground floor (behind the steps).

To help us preserve the environment to the largest extent possible, use water and electricity sparingly.

The premises are cleaned and the towels and bed linen changed every Tuesday. Please help us keep the place tidy and pleasant for everyone.

Our guests can have full use of the bathroom and kitchen facilities provided on the upper villa and can rest assured that their privacy will be respected upstairs.

Feel free to ask us for any help you might need to enjoy your stay.

GENERAL INFORMATION

There is a small beach 7 minutes walk from the house. A larger one is in Piaye, which is about 15 minutes away. More beaches can be reached by bus in Choiseul, Laborie and Vieux-Fort with a 15 to 30 min bus ride.

The closest grocery shop, which is around 15 minutes walk or 5 minutes drive from Kai Papaï, provides basic items such as oil, sugar, rice, flour... You would find more items in Gablewoods South Mall, between Laborie and Vieux-Fort, which is about 20 minutes by car. Buses to Vieux-Fort and Soufrière pass quite regularly on the main road. The waiting time is shorter in the morning and in the evening though. There are no buses on Sunday and public holidays.

Airport transfers by taxi cost about 18€ from Hewanorra International Airport (located in the vicinity of Vieux-Fort) and 63€ from Vigie Airport (located in the vicinity of Castries).

There are no buses on Sunday and very few on Saturday. The last evening bus leaves Vieux-Fort at 7:45 pm.

For taxi services, you can call Steward at + 1 758 721 76 80.

Not many restaurants on the island are open at night, except in the far north. Dinner might however be available at L'Escape, just up the road. If not, you could either book with Balenbouche Estate (Balenbouche), Debbies (in Sapphire), the Kimatrai (Vieux-Fort) or the Reef (on Sandy Beach, between Vieux-Fort and the Airport) or buy some of the local food (BBQ chicken, hot dogs, fish) that is usually sold by the roadside, especially on Friday evenings.

Rates include your first morning's breakfast plus a pack of basic cooking supplies of oil, salt, sugar, etc.

All bedrooms are equipped with 220 and 110V European, American and English plugs.

Our guests are free to use our two wireless internet signals available anywhere on the property. We can also lend you a laptop upon request for a limited time. If you have an unlocked quadband and triband cell phone and buy a local SIM card (available from local shops for about EC\$15), you will be able to make local calls without being charged at international rates. Otherwise, we could let you use our cell phone to make local calls for a small.

Although the area is generally safe, avoid going out alone at night.

**The wifi codes for Kai Papai and Kai Papai 2 is
4CARLM84EB.**

THE KITCHEN

You will find a pack of basic cooking supplies - oil, salt, sugar, garlic, flour, etc. in the kitchen, together with a supply of cereal and fresh milk.

A few bottles of filtered rainwater are stored in your fridge. Let us know when you need refills.

Please use the compost bin to store away vegetable debris and seal any unwanted meat or fish remains in a plastic bag before putting them in the garbage bin.

Our crockery is checked regularly, but please let us know if you find any damaged pot, pan, plate or glass.

Also let us know when a bottle of gas is finishing so we can bring a new one in time.

Avoid leaving any food debris around as they might attract insects and unwanted animals. To keep the place clean, please enjoy your food in the dining area rather than bring any into the rooms.

BREAKFAST

A complimentary breakfast can be served to you on the first morning from 8:30 am onwards. Please let us know at what time you would like it and what beverage you would prefer.

The breakfast menu typically consists of :

- a hot beverage (tea, coffee or herbal tea);**
- a freshly homemade fruit juice**
- a colorful plate of fresh fruits (mostly from the garden's harvest)**
- toasted bread, local jams and butter,**
- muffins or other locally available cakes**
